PSA Guidelines 2010

Classic Country Radio is glad to mention most community events. Each morning, Bucks Braun's **BOP Report** highlights area activities with free announcements. Greg Gabbard also provides information on area happenings in the afternoon hours. Joe Mullins broadcasts Church Announcements each weekday at 1:30 p.m.

Any for profit event should plan to buy advertising, however we give "mentions" to all area activities open to the public. We can mention an event daily the week before. If things are sent TOO far in advance, it's tough to keep up with details.

Send a small paragraph roughly two weeks in advance on ANY activity to:

myclassiccountry@myclassiccountry.com

To contact our guys directly:

Bucks Braun: bucks@myclassiccountry.com

Greg Gabbard: greg@myclassiccountry.com

Joe Mullins: joe@myclassiccountry.com

We will gladly assist.
