

# The Bluegrass Blowout

Featuring

## The Centerville Alternative Strings & Sierra Hull & Highway 111

March 10, 2012, 7:00 p.m.

We are honored to present Sierra Hull to the Centerville community. Sierra Hull is a rare talent: an artist who combines youthful intensity and energy with a sense of grace and maturity well beyond her years. *Secrets*, her national debut, features her fluidly, inventive mandolin playing and tender, wistful singing supported by a luminous cast of bluegrass masters. There is a reason all the great have worked with her... Ron Block, Jerry Douglas, and Dan Tyminski to name a few... and yes there is an Alison Krauss connection as well: "Sierra is a remarkably talented, beautiful human being. Success could not come to a more worthy person. I adore her." -Alison Krauss
